

Zone in on spotless

The 8000 SprayZone Dishcare function activates a dedicated zone designed for dishes with stubborn residue. It provides an intensive cleaning treatment that eliminates anything remaining on dishes. No pre-rinsing or soaking is needed.

Product Benefits & Features

Intensive cleaning. With SprayZone

Experience intensive cleaning with SprayZone. It performs three times better than standard programmes, efficiently cleaning dishes without the need to pre-rinse or soak. Even burnt-on food is eliminated in this dedicated zone. It's an effortless solution to stubborn stains.

SatelliteClean®. Powerful dishwashing. Without using extra water

Even closely stacked or larger dishes receive deep cleaning with SatelliteClean®. The innovative spray arm guarantees corner-to-corner cleaning. With up to 3x better spray coverage providing stunning results across every surface.

Removes more than 99,9999% of bacteria and viruses*

The ExtraHygiene function gives you maximum cleaning performance with hygienic care. With the ExtraHygiene function, the final rinse phase heats up to 69°C and keeps the temperature high for minimum 10 minutes to sanitize your dishes, removing more than 99,9999% of bacteria and viruses*.

QuickLift—adjust the basket height even when fully loaded

Indulge in the efficient amenities provided by the QuickLift basket. Regardless if you have a full load with bulky items, you can effortlessly adjust the height so you can easily fit dishes and kitchen tools of different shapes and sizes.

Open the door to dry dishes

AirDry delivers up to 3x better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.
