The next level of fridge capacity - MultiSpace

Innovative MultiSpace, this fridge-freezer provides more storage capacity, thanks to extra height. Taller than standard, uses all the space at the top. Smart space solutions and an adjustable interior give you more ways to store ingredients.

All ingredients within reach. At every turn. With SpinView

Innovative fridge equipped with SpinView shelf which rotates 360 degrees in any direction. Smart solution for quick visibility to everything with just a turn. No rearranging or searching, just immediate access to every chilled ingredient.

Adaptable for every taste, with CustomFlex®

Keeping all your fresh ingredients to hand is key to creating fresh, delicious dishes. With CustomFlex® you can organise your fridge storage just the way you want. Rearrange bins quickly and easily to maximise storage space. The fridge that adapts after your taste.

Every shelf evenly chilled. With DynamicAir

DynamicAir maintains a constant airflow to guarantee a stable temperature throughout the refrigerator. Every shelf evenly chilled to preventing warm zones. Prohibiting bacteria growth. Preserving fresh ingredients.
